INTRODUCTION

Huu Nghi Food Joint Stock Company, formerly known as Huu Nghi High Quality Confectionery Factory, was established on December 8th, 1997.

2006

Huu Nghi High Quality Confectionery Factory was equitized and changed its name into Huu Nghi High Quality Confectionery Joint Stock Company (JSC). In the same year, the company started to set up professional domestic sales and distribution system.

2009

To match the development orientation during new period, Huu Nghi High Quality Confectionery JSC switched its name to Huu Nghi Food Joint Stock Company (Huu Nghi Food). Huu Nghi Food basically built up and operated general trade (GT), modern trade (MT) across the country, opened the first bakery in Hanoi and successfully exported the first Tipo products to the international market.

PRESENT

Huu Nghi Food has developed a domestic distributor network of over 140,000 sales outlets (GT channel), more than 6,000 supermarkets and convenience stores (MT channel) and hundreds of key accounts (KA channel). On daily basis, there are over 1.5 million people consuming Huu Nghi Food's products in Vietnam and this number continues to increase. For international markets, our products have been exported to more than 12 countries and territories such as Japan, South Korea, China, Myanmar, Thailand, Singapore, etc.

Huu Nghi Food has possessed 3 large-scale factories with dozens of modern production lines, which fully meet global food safety standards (FSSC) in Hanoi City, Bac Ninh province and Binh Duong province.

Huu Nghi Food is proud to be one of the biggest and most prestigious confectionery manufacturers and traders in not only Vietnam but also the region.

OUR PRODUCTS

Huu Nghi Food has mastered the world's leading confectionery production technologies such as Cookies, Sponge Cakes, Wafers, Bread and Soft Candy, etc. At the same time, we have also inherited and developed the traditional Vietnamese confectionery know-how to create such extraordinary products as Cream egg cookies, Pork flake Bread, Moon cake and Jams ...

These unique products bring competitive advantages for Huu Nghi Food and confirm its position in the domestic and international markets.

1. TIPO CREAM EGG COOKIES

Tipo cream egg cookies was officially marketed in the second half of 2006. Up to now, Huu Nghi Food has been the only manufacturer in the world that develops and completely masters the technology and production lines as well.

This is a pioneer product for consumer's health by using 100% fresh chicken eggs (> 25%) together with various flavors like milk cream, caramel, sesame milk cream, chocolate, durian, etc.

Tipo cream egg cookies has always differentiated from others on the market for its distinction and large-scale production.

Tipo Cream Egg Cookies is currently number 1 among Vietnamese market and has been exported to more than 12 countries and territories. It has even created a new trend for young consumers in some countries like Japan, South Korea, China, Myanmar, etc.

2. TIPO COOKIES

Huu Nghi Food has mastered the technology and started selling cookies from its very first day of establishment in 1997. With three flavors (butter, matcha, chocochip), Tipo Cookies has occupied a large market share of MT's channel and a leading position in the domestic market during holiday season. This is also the product that has the second largest exported turnover of Huu Nghi Food and has been trusted by Japanese and Korean customers.

We may produce private label products based on partners' requirements.

3. TIPO CAKES

Tipo cake has been officially sold to the market since 2010 with two shapes (roll and layer) and three main flavors: milk cream, strawberry cream and green rice cream. This cake has widely appeared in not only domestic sales channels but also global markets such as China, Korea, Myanmar, Thailand, etc.

Huu Nghi Food is now one of the three biggest cake manufacturers in Vietnam and we are willing to make private label products upon customers' request.

4. TIPO WAFER

Huu Nghi Food has inherited and developed wafer production technology and officially commercialized this product since 1998. At present, Huu Nghi Food is the first Vietnamese manufacturer who is successful in producing cheese wafer.

With the advantages of being a pioneer and large-scale producer, Tipo Cheese Wafer quickly dominates the domestic market, succeeds in exporting to China, South Korea and experiences robust growth in market share.

Huu Nghi Food has made continuous efforts to research and develop new appealing flavors such as soya cream, peanut butter cream to meet the various demands of domestic customers and importers.

5. GOLD DAISY SANDWICH CRACKER

Huu Nghi Food has taken full control of sandwich crackers production technology since the early 2000s. Since its launching, sandwich cream cracker has dominated the domestic market and led the way for many years in the north of Vietnam.

Based on current technology, Huu Nghi Food has been developing savory cracker products with additional fiber, micronutrients, etc. We can make private label products upon customers' request.

6. DRY PROVISIONS

Huu Nghi Food has currently been one of the three biggest manufacturers of dry provisions of Viet Nam. This product has successfully gained domestic consumers' trust since the 2000s thanks to its high nutritional value and convenience.

Huu Nghi Food is now developing dry provisions as a functional food with additional micronutrients, supplementation and fiber. We may make private label products upon customers' request.

7. SURI SOFT CANDY

The brand Suri and soft candy technology has been developed since 2008.

Suri Soft Candy has step-by-step occupied the domestic market and become an irreplaceable product in every Lunar New Year festival.

8. GATEAUX

Huu Nghi Food has researched and developed gateaux production technology and officially set up the first bakery since the beginning of 2009. There are three main categories of gateaux: fresh cream, chocolate and fruit with various shapes, weight and sizes.

Huu Nghi Food's best-selling gateaux includes Japanese sweet potato gateaux, choux cream, pudding which are made from clean and fresh ingredients with high standards of food safety.

Huu Nghi Food is the permanent gateaux vendor of such big customers as Samsung, Viettel, Vinmart and many other primary schools, kindergartens in Hanoi.

9. STAFF BREAD

Staff pork flake Bread was official launched in Vietnam since the middle of 2006. Since its initiation, Staff bread has created a new consumer trend and become a choice for “nutritious meals on every journey” and an inevitable part of modern life.

Staff bread has been trusted and chosen thanks to its distinct savory taste, sufficient nutritional value and convenience.

In addition to Staff pork flake bread, Huu Nghi Food has developed and marketed a lot of different versions such as Staff milk sandwich, Staff milk green rice bread, Staff raisin sponge cake, Staff bacon bread, etc.

There are more than 1.5 million consumers of Staff bread every day. For many years, Staff bread has always maintained its leading position in terms of savory bread market share in Vietnam.

10. MOON CAKE

Huu Nghi Food's moon cake is exceptionally well known in Vietnam thanks to its traditional formula and natural ingredients like green bean, lotus seed, pumpkin seed, fresh lemon leaves, ginseng etc. It's the natural aroma which is made by Huu Nghi Food's esoteric know-how in brewing and pomelo flower extracting that makes the moon cake famous all over the nation.

Huu Nghi Food has been proud to be one of the two biggest moon cake manufacturers in Vietnam and the supplier of choice for such big customers as Samsung, Foxconn, Canon, Viettel, Vietcombank...

11. JAM

Huu Nghi Food's Jam (dried candy fruit) is the typical product that shows the traditional and familiar values of the Vietnamese people. This is also an irreplaceable product when the Lunar New Year comes.

Huu Nghi's Jam is made from pure agricultural products, converging the quintessence of four seasons and regional specialties such as Quang Ba lotus seeds, Tu Lien kumquat, Nghe An peanut, Ben Tre copra, Kon Tum old ginger, etc.

Huu Nghi Food is currently the biggest jam producer and trader in Vietnam.
